4. The following is an examiner's statement of reasons for allowance: The application is free of the prior art, in view of the judgment by the Board of Patent Appeals and Interferences, indicating that Zyzak "was both first to conceive and first to reduce to practice the subject matter of the count [i.e., count 1]" and that "priority of invention lies with" Zyzak."

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
